Reviews

Overview of Fusion Tags for Recombinant Proteins

E. N. Kosobokova, K. A. Skrypnik, and V. S. Kosorukov 187 299

Chlorophylls *d* and *f* and Their Role in Primary Photosynthetic Processes of Cyanobacteria

*S. I. Allakhverdiev, V. D. Kreslavski, S. K. Zharmukhamedov,
R. A. Voloshin, D. V. Korol'kova, T. Tomo, and J.-R. Shen* 201 315

Structure and Functions of Linker Histones

A. V. Lyubitelev, D. V. Nikitin, A. K. Shaytan, V. M. Studitsky, and M. P. Kirpichnikov 213 329

Age-Related Changes in Antioxidant and Glutathione S-Transferase Enzyme Activities in the Asian Clam

J. Vranković 224 339

Interaction of Nucleotide Excision Repair Protein XPC–RAD23B with DNA Containing Benzo[a]pyrene-Derived Adduct and Apurinic/Apyrimidinic Site within a Cluster

*L. V. Starostenko, E. A. Maltseva, N. A. Lebedeva,
P. E. Pestryakov, O. I. Lavrik, and N. I. Rechkunova* 233 350

Effect of Thrombin Inhibitors on Positive Feedback in the Coagulation Cascade

N. B. Ustinov, E. G. Zav'yalova, and A. M. Kopylov 242 361

Identification of a Region of the Polypeptide Chain of Na,K-ATPase α -Subunit Interacting with 67 kDa Melittin-Like Protein

Yu. V. Kamanina, E. A. Klimanova, E. A. Dergousova, I. Yu. Petrushanko, and O. D. Lopina 249 369

Tankyrase Activity in Organs and Tissues of Mice

A. N. Kuimov, A. S. Zhozhikashvili, V. N. Manskikh, L. V. Platonova, and T. G. Dyuzheva 255 376

DNA with Damage in Both Strands as Affinity Probes and Nucleotide Excision Repair Substrates

N. V. Lukyanchikova, I. O. Petruseva, A. N. Evdokimov, V. N. Silnikov, and O. I. Lavrik 263 386

Dynamics of Antagonistic Potency of *Rhodobacter capsulatus* PG Lipopolysaccharide against Endotoxin-Induced Effects

D. S. Kabanov, D. A. Serov, S. V. Zubova, S. V. Grachev, and I. R. Prokhorenko

275 401

Mathematical Model of Self-Oscillations of Activity of Kai Proteins

Sh. K. Bayramov

284 410

Isoferulic Acid Action against Glycation-Induced Changes in Structural and Functional Attributes of Human High-Density Lipoprotein

D. S. Jairajpuri and Z. S. Jairajpuri

289 416
