Diapause in the Seasonal Cycle of Stink Bugs (Heteroptera, Pentatomidae) from the Temperate Zone

A. Kh. Saulich and D. L. Musolin 1

The Activity of Nonspecific Esterases and Glutathione-S-Transferase in *Locusta migratoria* Larvae Infected with the Fungus *Metarhizium anisopliae* (Ascomycota, Hypocreales)

I. M. Dubovskiy, N. D. Slyamova, V. Yu. Kryukov, O. N. Yaroslavl'tseva, M. V. Levchenko, A. B. Belgibaeva, A. Adilkhankyzy, and V. V. Glupov 27

Interspecific and Intraspecific Variation of the Duration and Thermal Requirements for Egg Development in Carabid Beetles (Coleoptera, Carabidae) in the North-West of Russia

E. B. Lopatina, V. E. Kipyatkov, S. V. Balashov, D. A. Dubovikoff, and I. V. Sokolova 32

The Geography of Speciation in Butterflies (Lepidoptera, Papilionoidea): an Empirical Test of Theoretical Models

V. A. Lukhtanov 46

Contribution to the Stone-fly (Plecoptera) Fauna of the Volga and Don River Basins

L. A. Zhiltzova 55

The Caddisfly Fauna (Trichoptera) of Russia: on the Centenary of Exploration

V. D. Ivanov and S. I. Melnitsky 58

New and Little Known Phalangopsinae (Orthoptera, Gryllidae): 7. Neotropical Taxa of the Tribes Paragryllini and Luzarini

A. V. Gorochoy 68

On the Taxonomy of the Leafhopper Genus *Macropsidius* (Homoptera, Cicadellidae)

D. Yu. Tishechkin 83

A New Species of the Genus *Rhinogaster* Fennah (Homoptera, Fulgoroidea, Caliscelidae) from Southern Africa

V. M. Gnezdilov 93

First Mesozoic Representative of the Subfamily Tenebrioninae (Coleoptera, Tenebrionidae) from the Lower Cretaceous of Yixian (China, Liaoning)

A. G. Kirejtshuk, M. V. Nabozhenko, and A. Nel 97

A New Species of the Genus *Coccophagus* Westwood (Hymenoptera, Chalcidoidea, Aphelinidae) Inhabiting Ants' Nests (Hymenoptera, Formicidae) in Malaysia

E. S. Sugonyaev 101

On the Biology of the Limoniid *Lipsothrix nobilis* (Diptera, Limoniidae) with Description of the Immature Stages

M. G. Krivosheina and N. P. Krivosheina 103

Postembryonic Development of Oribatid Mites *Cepheus cepheiformis* and *Conchogneta traegardhi* (Acari, Oribatida)

S. G. Ermilov 112
