### On the Structure of the Aedeagus in Shield Bugs (Heteroptera, Pentatomidae):

#### 1. Subfamilies Discocephalinae and Phyllocephalinae

*F. V. Konstantinov and D. A. Gapon* 221

### Black-striped Morphs of Antlions (Neuroptera, Myrmeleontidae)

*V. A. Krivokhatsky* 236

### Grassflies (Diptera, Chloropidae) in the Northern Palaearctic Region

*E. P. Nartshuk* 244

### Aphids of the Genus *Acyrtosiphon* (Homoptera, Aphididae, Macrosiphini) from the Russian Far East: Communication 1

*N. F. Pashtshenko* 255

### A Review of Leaf Beetles of the *Psylliodes saulcyi* Species-Group (Coleoptera, Chrysomelidae, Alticinae)

*K. S. Nadein* 267

### A New Species of the Genus *Paussobrenthus* Gestro (Coleoptera, Brentidae) from Laos

*O. N. Kabakov* 280

### New Species of the Genus *Agathidium* Panzer (Coleoptera, Leiodidae) from the Middle Volga Area

*G. I. Yuferev* 282

### A Review of Weevils of the Subgenus *Rimenostolus* of the Genus *Otiorhynchus* and Comments on the Taxonomy of the Subgenus *Dibredus* (Coleoptera, Curculionidae)

*G. E. Davidyan and V. Yu. Savitsky* 285

### New Species of Egg-Parasitoids of the Family Scelionidae (Hymenoptera, Proctotrupoidea) from Japan

*S. V. Kononova and V. N. Fursov* 301

### New Species of the Genus *Microchelonus* Szépl. (Hymenoptera, Braconidae) from the Southeastern Part of European Russia and Adjacent Territories

*V. I. Tobias* 314

### New Genus and Two New Species of Geometrid Moths (Lepidoptera, Geometridae) from Northeastern Kazakhstan

*S. V. Vasilenko* 322

### New Data on the Structure of the Genus *Temnostoma* with Redescription of *Temnostoma meridionale* (Diptera, Syrphidae)

*N. P. Krivosheina* 326

### Short Communications

Butterflies (Lepidoptera, Diurna) from Paramushir Island (the Northern Kuril Islands)

*A. B. Martynenko* 332

A New Encyrtid Species (Hymenoptera, Chalcidoidea, Encyrtidae) from Turkey

*G. O. Japoshvili* 337

---

### Methods of Zoological Investigations

Methods of Breeding and Maintenance of the European Swallowtail *Papilio machaon*  
(Lepidoptera, Papilionidae)

*E. Yu. Tkacheva, A. A. Zagorinsky, and V.B. Beiko<sup>†</sup>* 340

---

### Book Reviews

E. P. Nartshuk, "A Key to the Families of Diptera (Insecta) of the Fauna of Russia and Adjacent Countries (with a Short Review of Families in the World Fauna)," in Proc. Zool. Inst. Russ. Acad. Sci. (St. Petersburg, 2003), Vol. 294, 250 pages, 51 illustrations, 300 copies

*N. A. Tamarina, S. J. Chaika, and G. V. Farafonova* 345
