

Contents

Vol. 87, No. 6, 2007

Simultaneous English language translation of the journal is available from Pleiades Publishing, Inc.
Distributed worldwide by Springer. *Entomological Review* ISSN 0013-8738.

New Data on Acoustic Communication and Ecology of Grasshoppers of the Genera
Eremippus and *Dociostaurus* (Orthoptera, Acrididae) and Notes on the Use of Bioacoustic
Data in Supraspecific Taxonomy of the Subfamily Gomphocerinae

V. Yu. Savitsky 631

The Choice of Foraging Strategy as a Mechanism for the Coexistence of *Myrmica* Species
(Hymenoptera, Formicidae) in a Multispecific Ant Association

T. S. Putyatina 650

Cytogenetic Differentiation of Natural Populations of *Chironomus obtusidens* (Diptera, Chironomidae)

I. I. Kiknadze, A. G. Istomina, and L. I. Gunderina 658

A Contribution to the Fauna and Ecology of Leaf Beetles (Coleoptera, Chrysomelidae)
in the Republic of Mordovia

O. D. Bardin and Z. A. Timraleev 670

The Fauna and Distribution of Black Flies (Diptera, Simuliidae) in Rivers of the South-Eastern
Altai Mountains

L. V. Petrozhitskaya and V. I. Rod'kina 677

Seasonal Dynamics of Epizootic Process of the Plague Agent *Yersinia pestis* Transmission
to the Long-Tailed Suslik *Citellus undulatus* by the Flea *Citellophilus tesquorum* in Tuva

L. P. Bazanova, A. Ya. Nikitin, A. F. Popkov, and M. P. Maevskii 685

Spatial Differentiation of Invertebrates in Soils of the Transural Steppe Region

N. G. Nagumanova 692

Revision of the Shield-bug Genera *Holcostethus* Fieber and *Peribalus* Mulsant et Rey
(Heteroptera, Pentatomidae) of the Palaearctic Region

E. N. Belousova 701

On the Northernmost Distribution of Leaf Beetles of the Genus *Oreomela* (Coleoptera, Chrysomelidae):
New Species from Mountains of Southern Siberia

Yu. E. Mikhailov 740

New Data on Larvae of Weevils of the Genus *Lixus* (Coleoptera, Curculionidae) from Central Asia

O. N. Nikulina 750

A Review of Species of the Genus *Diaphorus* (Diptera, Dolichopodidae) in the Palaearctic Region

O. P. Negrobov, O. O. Maslova, and O. O. Selivanova 757

Short Communications

New Mite Species of the Cohort Tarsonemina (Trombidiformes, Acarina) of the Fauna of Turkmenistan

P. R. Chydyrov 767

A New Species of the Chironomid Genus *Chaetocladius* (Diptera, Chironomidae)
from the Novaya Zemlya Archipelago

N. I. Zelentsov 776

Memory

In Memory of O. A. Kataev (1923–2006)

A. V. Selikhovkin, A. V. Gorokhovnikov, B. G. Popovichev, and L. I. Shcherbakova 781

Book Reviews

E. S. Sugonyaev and N. D. Voinovich, *Adaptation of Chalcids to Parasitism on Scale Insects in Different Latitudes* (Association of Scientific Publications, Moscow, 2006), 263 pp.
