Entomological Review ISSN 0013-8738

Morphological Differentiation of Species of the Genus *Chironomus* Mg. (Diptera, Chironomidae), the *Ch. plumosus* Group. Males

N. A. Shobanov 715

Cytodiagnosis, Inversion Polymorphism, and B-Chromosomes of Three Sibling *Chironomus* Species of the *plumosus* Group (Diptera, Chironomidae) from Eastern Siberia

N. A. Petrova and O. K. Klishko 729

On the Taxonomy of the Genus *Pagria* Lefevre, 1884, with Comments on the Genus *Rhyparida* Baly, 1861 (Coleoptera, Chrysomelidae, Eumolpinae)

A. G. Moseyko and L. N. Medvedev 741

Bosporomias gen. n., a New Genus of the Weevil Subfamily Entiminae from Taman Peninsula (Coleoptera, Curculionidae)

N. N. Yunakov and B. A. Korotyaev 757

New and Little-known Asian Species of the Genus *Bucculatrix* Z. (Lepidoptera, Bucculatricidae) and Their Taxonomic Attribution

S. V. Baryshnikova 764

A Revision of Digger Wasps of the Genus *Oxybelomorpha* (Hymenoptera, Crabronidae, Oxybelini): 3. The *O. braunsii* Species-group

A. V. Antropov 772

A Revision of Digger Wasps of the Genus *Oxybelomorpha* (Hymenoptera, Crabronidae, Oxybelini): 4. The *O. rhodesiana* and *O. rubicunda* Species-groups

A. V. Antropov 786

New Species of Chalcidoid Wasps of the Family Eurytomidae (Hymenoptera, Chalcidoidea) from Israel and Turkmenistan

M. D. Zerova, L. Ya. Seregina, T. Pavliček, and E. Nevo 800

New Species of Egg-Parasitoids of the Genus *Gryon* (Hymenoptera, Scelionidae) from Israel

S. V. Kononova, T. Pavlicek, E. Nevo 811

Short Communications

New Data on the Distribution of Shore Bugs (Heteroptera, Saldidae) in Siberia

N. N. Vinokurov 819

Aphids of the Genus *Chaetosiphella* (Homoptera, Aphididae, Chaitophorinae). Description of a New Species and a Key to Species

R. Kh. Kadyrbekov

823

Species of the Genus *Systemus* (Dolichopodidae, Diptera) from the Palaearctic Region

O. P. Negrobov

826
