The Structure of the Planktic Microbial Community in the Lower Reaches of the Ob River near Salekhard <i>A. I. Kopylov and D. B. Kosolapov</i>	1
Uptake of Amino Acids by Uncultivated Bacterioplankton of a Eutrophic Water Reservoir <i>O. V. Kolmakova and M. Yu. Trusova</i>	8
Phytoplankton of the Amga River and Chemical Composition of the Water: Contemporary State <i>V. A. Gabyshev and O. I. Gabysheva</i>	15
Algae of Periphyton of Lake Teletskoye <i>G. V. Kim</i>	21
Characteristics of Hepatics Flora of Thermal Habitats in Kamchatka <i>V. A. Bakalin, O. A. Chernyagina, and V. E. Kirichenko</i>	28
Estimation of Seasonal Dynamics of Number and Age Structure of South Baikal Natural Population of <i>Epischura baicalensis</i> Sars Using ANOVA <i>E. L. Ermakov</i>	35
Small Lake Plankton and Its Essential Polyunsaturated Fatty Acids Content as Affected by a Colony of the Common Heron ( <i>Ardea cinerea</i> L.) <i>A. V. Krylov, M. I. Gladyshev, D. B. Kosolapov, N. N. Sushchik, L. G. Korneva, O. N. Makhutova, D. V. Kulakov, G. S. Kalacheva, and O. P. Dubovskaya</i>	42
Zoobenthos of the Drainage Zone of Novosibirsk Reservoir <i>A. M. Vizer</i>	50
Component Communities of Parasites and Interaction of the Parasitic Faunas of Noncommercial Fishes in the Kacha River (Yenisei Basin) <i>Yu. K. Chugunova and N. M. Pronin</i>	56
Content and Character of Metal Accumulation in Fish of the Kichera River (a Tributary of Lake Baikal) <i>E. Ts. Pintaeva, S. V. Bazarsadueva, L. D. Radnaeva, E. A. Petrov, and O. G. Smirnova</i>	64
The Siberian Tree Frog ( <i>Rana amurensis</i> Bulenger, 1886) in Yakutia <i>T. N. Solomonova, V. T. Sedalishchev, and V. A. Odnokurtsev</i>	69
<i>Phaeodactylum tricornutum</i> Bohlin Bioassay of Water Quality of Amur Bay (the Sea of Japan) <i>Zh. V. Markina and N. A. Aizdaicher</i>	74
Effect of Oil-Pollution of Water on Delayed Fluorescence of the Algae <i>Chlorella vulgaris</i> Beijer and Survival Rate of the Cladoceran <i>Daphnia magna</i> Str. <i>T. S. Borodulina, V. I. Polonskiy, E. S. Vlasova, T. L. Shashkova, and Yu. S. Grigor'ev</i>	80
River Water Quality Research within the City Limits Using Some Biochemical Methods <i>N. V. Gureeva</i>	84
State of Natural Environment in the Tomsk Water Intake Area <i>A. G. Dyukarev and N. N. Pologova</i>	91
Chemical Composition and Quality of Bog Waters in the Chaya River Basin <i>Yu. A. Kharanzhevskaya, E. S. Voistinova, and E. S. Ivanova</i>	100
