Simultaneous English language translation of the journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Contemporary Problems of Ecology* ISSN 1995-4255.

Component Diversity of the Soil Cover in the Chuya Depression, Gorny Altai <i>E. N. Smolentseva</i>	97
Lake Shira: Microzonality of the Soil Cover of Lake Depressions in the Shira Steppe <i>S. P. Kulizhskii, A. V. Rodikova, and V. F. Shamshaeva</i>	103
Thermodynamic Indices of Active Invertase from the Buried Soil Horizons of Late Pleistocene Age in Northern Yakutia <i>M. V. Shchelchkova</i>	109
Soil Cover Differentiation in the Central Tuvonian Depression <i>E. A. Gurkova</i>	114
Stability of Grass Ecosystems <i>A. A. Titlyanova</i>	119
The Features of Peat-Accumulation Process at the Southern Slope of the Great Vasyugan Bog <i>A. I. Syso and A. M. Peregon</i>	124
A Grass Mire in Poland: Reserves of Phytomass and Deposited Nutrition Elements <i>N. P. Mironycheva-Tokareva, S. V. Shibareva, and P. Gromadka</i>	128
Biogenic Ecotoxicants in Urban Soils <i>V. S. Artamonova, I. V. Lyutykh, and N. V. Smirnova</i>	133
Aftereffect of Nitrogen Fixed by Different Genotypes of Macrosymbiont <i>V. M. Nazaryuk, F. R. Kalimullina, and M. I. Klenova</i>	140
Influence of Climatotypes of Scots Pine on Certain Chemical and Microbiological Characteristics of Soils <i>N. B. Naumova, R. P. Makarikova, V. V. Tarakanov, N. A. Kuz'mina, T. N. Novikova, and L. I. Milyutin</i>	147
Selenium in Parent Materials and Soils of Novosibirsk Oblast <i>A. V. Polosina</i>	152
Distribution of Total Mercury in Peat Soil Profiles in West Siberia <i>E. A. Golovatskaya and E. E. Lyapina</i>	156
Fluorine Content in Natural Water in the Southern Ob–Irtys' Interfluvium <i>Yu. V. Ermolov</i>	162
