Large-scale Modes of Atmospheric Variability. Part II. The Impact on the Spatial Distribution of Temperature and Precipitation on the Territory of Northern Eurasia
I. A. Kulikova, E. N. Kruglova, and D. B. Kiktev 223

Probabilistic Representation of Long-range Weather Forecasts Worked Out Using the Synoptic Methods
V. Yu. Tsepelev and V. M. Khan 231

Assimilation and Correction of Radiosonde Humidity Observations in the Data Assimilation System Based on the Local Ensemble Kalman Filter
V. S. Rogutov and M. A. Tolstykh 242

Spatial Features of Thunderstorm Activity in the North Caucasus from Meteorological and Instrumental Data
A. Kh. Adzhiev, A. A. Adzhieva, Z. M. Knyazeva, and V. N. Stasenko 253

Water Wave Motions in the Bottom Layer of Shallow Water Areas (on the Example of the Vistula Lagoon in the Baltic Sea)
A. K. Ambrosimov, Sh. Kh. Yakubov, A. N. Babakov, and B. V. Chubarenko 259

Studying the Spatiotemporal Variability of the Components of the North Caspian Sea Water Balance Using the Water Balance Model
L. P. Ostroumova and V. F. Polonskii 269

The Improved Estimation for the Effective Supply of Productive Moisture Considering the Hysteresis of Soil Water-Retention Capacity
V. V. Terleev, A. G. Topaj, and W. Mirschel 278

Discussion

Comments to the Paper of L.Kh. Ingel' and A.A. Makosko "Disturbances Induced by Gravity Field Inhomogeneities in the Barotropic Ocean"
Yu. D. Resnyanskii 286
